ESSENTIAL FAMILY READ ALOUDS

If you like, print out the pretty book list and pin it up where you can check off each book as you read it to your family. These books are *loosely* organized in order of age appropriateness. My Father's Dragon can be read kids as young as 3 and save The Watsons Go to Birmingham until your kids are about 7 or 8.

If you wish to learn more about each book, I have linked to one of the book lists on which the title appears (many of these books are on multiple lists).

Happy Reading!
