LAUNDRY MACHINE INSTRUCTIONS

Color as desired.

Cut along dotted line of the front of the machine. Do not cut on the solid line where the hinge is.

Fold open the door of the machine at the hinge.

If desired, glue the machine to a second piece of paper, cardstock or cardboard.

Do not glue the door. Instead allow the door to open and close at the hinge.

Optional: cut out items of clothing from construction paper, felt or magazines for pretend play!!
